

PLANS OF HOPE

Forming Disciples | Renewing Parishes
Parish Implementation Team

Members: Lisa Bourg, Gayle Domangue, Barry and Tama Forsyth, David Leroux, Angie Naquin, Liz Naquin, and Jean Naquin.

NEXT STEP: Listening sessions are the “next step” in parish-level planning. Our hope is to offer a chance to engage and listen to as many parishioners as possible and offer a brief summary of what has been happening thus far with Strategic Planning in our parish and what will happen, moving forward. The sessions will possibly consist of a combination of Cluster Meetings in the Rectory, Listening Sessions After Each Mass, and/or a Town Hall Meeting.

- Cluster Meeting in the Rectory would consist of potluck dinner/social time (groups of 10-12 people) followed by structured listening session.
- Listening Session After Each Mass would be conducted in the cafeteria with a facilitator at each table and snacks.
- Town Hall Meeting-style would be offered one night with either potluck meal or snacks/social time followed by structured listening session.

Questions: To get your thought and feedback on three specific questions.

1. What’s the best thing about Annunziata? What are our strengths?
2. What do we need to improve? Or, what do you think is the greatest priority for our parish?
3. What are your dreams for Annunziata?

Name: _____

Address: _____

Phone No.: _____

I would be interested in attending one of the following Listening Sessions (mark only one):

____ Cluster Meeting in Rectory ____ After Mass ____ Town Hall Meeting-style
