

Week 1: Our theme for our first week is LET'S PLAY! Our theme for our scripture studies for this week is LET'S PRAY!

- This week for LET'S PLAY we want all campers to come to camp ready to play! We are going to play plenty fun games inside and out and then on Friday we are headed to Pinocchios. Remember to wear your camp shirt Friday so you are able to come on the field trip!
- For our scripture studies this week, we are leading and teaching kids different forms and types of prayer. We have some awesome crafts that connect with our scripture studies. We have sectioned our scripture studies to where the younger campers will get a more hands on approach while the older campers will learn the same things without being bored.
